

MOHOMED ILHAM

Frontend Developer

+94 77 1843 745 @ ilham.mohomedpersonal@gmail.com Colombo, Sri Lanka

SUMMARY

As a senior front end developer with over three years of experience, I have a strong background in designing and creating responsive web designs and mobile apps using a variety of technologies, including HTML, CSS, and JS frameworks like React JS and Next JS. I have a deep understanding of user experience and psychology, which I have used to significantly increase the conversion rate of an existing website by 80% through improved code and design.
